FOSTER/ADOPTION APPLICATION

Please take your time and answer every question in detail. Fill in all blanks. The less time on the phone trying to get answers to blanks on the questionnaire, the sooner a Schip gets a new home – temporary or forever.

For Prospective Fosterers

This completed application will help us assess your ability to provide successful foster care to a rescued Schipperke. By filling out and submitting this form, you are agreeing to all the rules, responsibilities, and accountabilities described on the Foster Home Information page of www.schipperkerescue.net. You also agree to abide by the requirements of any Rescuer from whom you accept a dog to foster.

For Prospective Adopters

This completed application will help SRN choose the best dog for you, your family, and your lifestyle and find the best “forever home” for every rescued Schipperke. The adoption fee can range from \$50.00 to \$450, depending on the needs of the dog when he/she comes into Rescue and upon the wherewithal of the adopting family. Shelter fees, tests, medical needs, obedience lessons, etc., all pay a part in how much the adoption fee will be.

Please tell us a little about yourself and why you feel you could provide a good home for a rescued Schipperke.

I hereby state that I am willing to make a life-long commitment to any dog adopted by me. I will do whatever is necessary to ensure that this dog is comfortable and happy for as long as it lives, and, should circumstances intervene, I will make provision that the dog is never left at a shelter or pound but rather returned to SchipperkeRescue.Net.
