For good and valuable consideration, the parties agree as follows:

Dog Owner hereby delivers physical and legal custody of Dog to Bailee, who hereby accepts physical and legal custody of Dog as a bailee and not as owner.

Dog Owner shall not hereafter be responsible for the care and expense of Dog. However, Dog Owner acknowledges and agrees that he or she shall be legally liable for all injuries, losses, damages, costs and expenses if, during the period of the bailment, Dog injures any person, including but not limited to Bailee and his, her and its agents and employees.

Bailee shall care for, pay the necessary expenses of, and maintain custody of Dog, to the minimum extent required by law. Bailee shall owe no other duty to Dog Owner whatsoever, with one exception, to wit, that Bailee shall return Dog to Dog Owner if all of the following conditions are met: a) Dog Owner requests the return of Dog, b) Dog Owner, in Bailee's sole judgment, intends, is able and shall remain able in the foreseeable future to adequately care for, pay the necessary expenses of, and maintain custody of Dog, c) Dog, in Bailee's sole judgment, appears to be neither dangerous nor potentially dangerous, and neither vicious nor potentially vicious, d) Dog is not in quarantine, e) there is no pending adjudication or

administrative hearing pertaining to Dog or Dog Owner, e) Dog has not been adopted out, and f) Dog has not been euthanized.

Dog Owner hereby authorizes Bailee to either adopt out Dog, or cause Dog to be euthanized if any of the following conditions is met: a) Dog is not adopted out within the minimum period of time that the applicable law requires public shelters to hold a Dog before euthanizing it, b) Dog appears, in Bailee's sole judgment, to be too sick or injured to be adopted out, c) Dog is ordered to be euthanized pursuant to the applicable law, or d) Dog, in Bailee's sole judgment, appears to be dangerous or potentially dangerous, or vicious or potentially vicious. It shall be fully understood that the policy of SchipperkeRescue.Net, Inc. is never to sell or otherwise provide a live dog to any commercial breeder, unless returning a dog in accordance with a previously executed contract, or facility that uses animals for testing on human products. However, SRN does reserve the right to provide animal research facilities with the remains of a euthanized dog for the purpose of research on the causes, prevention, and/or treatment for live animals suffering with the same or similar health issues.

To further the purposes of this Bailment Agreement, Dog Owner shall execute a document which transfers ownership of Dog to Bailee or to an unspecified party, but said document shall not be effective until the moment when Dog is adopted out, euthanized, or delivered to the custody of a third party for the purposes of euthanasia.

In the event of any dispute between Dog Owner in Bailee with regard to Dog, the making or breach of this Bailment Agreement, or any other issue or matter whatsoever, all acts and omissions of Bailee which were based on judgments made by Bailee shall be conclusively presumed to have been made in good faith, without negligence, and without breach of any express or implied duty, obligation, term or condition. The damages which may be awarded to Dog Owner shall be limited to the market value of Dog.

This Bailment Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof. No other promises, agreements, warranties or representations have been made. This agreement cannot be modified except in a writing signed by the party to be charged thereunder.
